PROPERTY DESCRIPTION

Cross Creek Shopping Center enjoys a prime location at the highest-traffic intersection in Durant—Main Street and University Drive—directly across Highway 70 from the Walmart Supercenter. This highly visible and easily accessible site is positioned within Durant’s thriving west-side corridor, home to a strong lineup of national retailers, restaurants, and service providers. The center benefits from consistent daily traffic from both local residents and regional shoppers drawn to the area’s concentrated commercial activity. With a strong consumer base and excellent frontage, Cross Creek is an ideal destination for retailers seeking visibility and growth in a rapidly expanding market.

Durant serves as a regional hub in southern Oklahoma, bolstered by significant tourism and economic development. The nearby Choctaw Casino & Resort attracts over 6.7 million visitors annually, bringing substantial foot traffic and retail spending to the area. In addition, the city is a gateway to Lake Texoma, one of the region’s most popular outdoor recreation destinations. Adding to the momentum, the Chickasaw Nation has announced a transformational billion-dollar development just a few minutes from the center, expected to further elevate Durant’s status as a destination for tourism, commerce, and investment. Cross Creek Shopping Center is perfectly positioned to capitalize on this dynamic growth and long-term regional opportunity.
